**Old Vet's Home at the VA Hospital
North on 3rd Street from Indian School**

5th Annual Christmas Celebration

We welcome all to help us bring joy, love and respect to the 200 patients confined to the VA's "Old Vet's Home", located on the east end of the VA Hospital. An event you will never forget. Many of these Veterans rarely receive visits from the outside world, and not only need and desire companionship, but are all in desperate need of the items listed to the left.

Food, live entertainment, and special VIP's will also be in attendance.

If you are not able to attend this years event, please donate as many of the items listed , so we can insure each and every patient will receive the items they need and the items they desire.

THANK YOU !
